ANNUAL WHOLESALE PRICE LIST

OF THE

**FRASER NURSERY  
COMPANY**

(INCORPORATED)

HUNTSVILLE, ALABAMA

**IMPORTANT!**

This list is intended to reach only those entitled to Wholesale Trade Prices. Errors are sometimes made, and in order that our mailing list may be corrected, we will thank any one in the trade to advise us should they have knowledge of our list reaching parties not so entitled.

For Nurserymen, Florists, Seedmen and  
Dealers Only

## CUSTOMS OF THE TRADE

**PRICES** quoted herein are not good after April 1, 1927, and are subject to cancellation without notice any time unless previously agreed upon.

**CASH** or satisfactory reference, with sufficient time to investigate before shipment, is invariably required of parties unknown to us. To responsible, prompt paying parties, we will extend usual time for payment.

**REMITTANCES** should be made by Draft on New York, Chicago, or St. Louis, or by Express or Postal Money Order.

**CLAIMS** for damages or deficiencies to receive consideration must be made promptly upon receipt of goods.

**RATES** apply as follows: When 10 trees and not over 50 are ordered, the price will be  $2\frac{1}{2}$  cents per tree more than the price per 100. Orders for 50 trees or more up to 300, when not less than 10 trees of each variety, will be charged at the price per 100. Orders for 300 trees or more, when not less than 10 trees of each variety, will be charged for at the price per 1000.

**TELEGRAMS**—Use Nurseryman's Telegraphic Code, copy of which we will mail upon request. In connection with this we give a cipher word for each grade. When this cipher word is used either in mail or telegraphic orders no other description of the stock is necessary.

**PACKING**—We believe we excel others in the manner of handling stock. This is due largely to personal experience and supervision. We pack to insure contents from drying or freezing, even though the shipment be delayed in transit.

**The cost of new boxes, well made, to be added, as follows:**

30x30x7 $\frac{1}{2}$ to 10 feet	\$4.00	18x24x7 $\frac{1}{2}$ to 10 feet	\$2.50
24x30x7 $\frac{1}{2}$ to 10 feet	3.50	18x18x7 $\frac{1}{2}$ to 10 feet	2.25
24x24x7 $\frac{1}{2}$ to 10 feet	3.00	15x15x7 $\frac{1}{2}$ to 10 feet	1.75

**Bales 50 cents and up, according to size.**

**SHIPMENTS**—When ordering, please state plainly whether freight or express shipment is desired, and give route if by freight. In the absence of this information we will use our best judgement without assuming any responsibility as to delivery. Goods are at purchaser's risk and cost after delivery to the forwarding company. Under the Parcel Post system we are often able to forward small packages for less than the rates charged by express companies. Parties desiring to secure the benefits of Parcel Post should include sufficient for postage in their remittances; the difference, if any, will be refunded promptly.

**NON-WARRANTY**—We give no warranty, express or implied, as to description, quality, productiveness, or any other matter, of any nursery stock, seeds, bulbs or plants we sell.

**CAUTION**—All orders are accepted upon the condition that they shall be void should any injury befall the stock from frost, hail, fire or other causes beyond our control.

**REFERENCES**—Any Bank or Business House in Huntsville, Alabama, or either of the Mercantile Agencies.

**LONG DISTANCE TELEPHONE IN OUR OFFICES.**
